ECOMANUEL

CARLO Beanie *unisex*

Size: 55-57 cm
Height: 21 cm
Roll height: 6,5 cm
Width: 21 cm

Composition:
95% cashmere
5% merino wool

A thinner version of the Nanni beanie. Extremely soft and packed with cashmere.

NANNI Beanie

unisex

Size: 55-57 cm
Height: 25 cm
Roll height: 9 cm
Width: 21 cm

Composition:
95% cashmere
5% merino wool

The thickest, warmest and fleshiest cashmere beanie in our offer. And, by the way, the most winter one.

SPORTIVA Headband

Height: 10 cm
Width: 23 cm
Linning: flis

Composition:
95% cashmere
5% merino wool

SOFIA Scarf

Available colours

We have a different color palette for different compositions. However, both are quite sizeable. Colours change every season depending on currents and upcoming trends. Here are the colours we have worked with so far:

Constantly experimenting with new dyes and tones. We have an online store that operates solely for the purpose of market testing of various models. Take a look and imagine how you want to express your brand ...
